### ChatGPT

## Here's what you'll keep with Plus

You've been experiencing the best of ChatGPT for free. Continue receiving faster answers, smarter insights, and advanced capabilities without any interruption.

Your subscription will automatically renew at the standard rate of ₹1,999/month starting in 6 days. You can cancel at any time.

Here's what you'll continue to get with your Plus membership:

- **Smarter, faster responses** — Get priority access to our best models, even during peak times.
- **More tools to get stuff done** — Analyze PDFs, talk in voice mode, and upload more files.
- **Research for complex tasks** — Ask ChatGPT to dig into any topic and summarize what it finds.
- **Create stunning images** — Generate high-quality visuals with fewer limits.
